Description

Introducing this exceptional residential field spanning a total area of 3,085 m², nestled in the prestigious Agia Fyla area of Limassol. This prime piece of land is situated just 15 minutes from Limassol city center and just a 3-minute drive from the highway, providing effortless access to all the essential amenities. The field has a registered road right in the front, ensuring convenient and straightforward accessibility.

With an impressive building density of 90%, this residential field offers the potential to construct a three-floor building, reaching a maximum height of 13.5 meters. The land's smooth and even surface enhances its development potential, making it an exceptional opportunity for creating upscale residential properties.

This field represents a unique investment opportunity, promising both substantial returns and the chance to contribute to the enhancement of a prestigious neighborhood.
